HOG ROAST / ROTISSERIE

We have our own Hog Roast and Rotisserie, so if you are looking to arrange a wedding, a large family celebration or a corporate event, then we are able to offer some alternative ideas to help create the perfect, unique, event.

Pricing for the hog roast will depend on how many guests, as that will determine what size hog is needed, and pricing for Rotisserie will depend on which meat you choose. Why not talk to a member of staff about creating your own, bespoke, hog roast or Rotisserie event.

An example of a Hog roast and Rotisserie menu is below but can be adapted and changed to suit your needs: -

HOG ROAST

- Hog roasted Pig and Crackling
- Apple sauce
- Baps
- Mixed leaf salad
- Tomato and onion salad
- Homemade coleslaw
- Fries

ROTISSERIE

- Chicken / Beef / Pork
- Mixed leaf salad
- Tomato and onion salad
- Homemade coleslaw
- Fries or hot buttered new potatoes
- Superfood Cous Cous salad
- Condiments according to the selected meat
